PRESENTACIÓN

Drdo. Juan Guillermo Estay Sepúlveda
Editor Revista Inclusiones

El conocimiento y su búsqueda no tienen fronteras y cada vez que una investigación aparece en un rincón del mundo, tarde o temprano, repercutirá en el otro rincón.

Este Número Especial representa aquello: puntos de vista del conocimiento desde el viejo y querido continente asiático y del Mar Mediterráneo para el mundo occidental.

El planeta es uno solo y quienes lo habitan pertenecemos a esa sola raza que la ha poblado desde millones de años: El Ser Humano, evolucionado hasta alcanzar las estrellas... y en el Siglo XXI, preparado para su mayor reto: Conocerse.

Hoy en el mundo convulsionado, lo principal es conocerse y avanzar en las soluciones que darán estabilidad y paz. A veces nos preguntamos si esos millones de años de evolución son tal cosa y en algunos momentos pensamos que la involución es nuestro sino.

Sin embargo, cual Caja de Pandora, la esperanza es lo último que se pierde y es la que nos queda para seguir creciendo, quizás no por nosotros, por nuestros hijos e hijas. De ellos es este planeta. No lo matemos.
